

# An all-in-one resource for do-it-all parents

Employees and their partners have free access to Maven's parenting and pediatrics program, which offers on-demand virtual support for parents of children up to 10 years old. You and your partner get 24/7 access to providers across 35+ specialties, plus exclusive childcare discounts — all at no cost to you.

## Sign up for free access:

- ✓ **Unlimited video chats** with 35+ types of specialists, including childcare consultants, speech pathologists, and more
- ✓ **Practical content and a supportive community** to help make parenting (a little) easier
- ✓ **Childcare support** including access to trusted partners and exclusive discounts
- ✓ **Your own Care Advocate** who can help you find care, navigate your benefits, and understand your health bills

## An inclusive partner for your parenting journey
