## CONVENIENT BREAST MILK SHIPPING WHEN TRAVELING FOR WORK

As an employee, you have access to Maven Milk, a free breast milk shipping service available until your child's second birthday.

Maven's app makes breast milk shipping simple for work travel with kits to safely store or ship your milk. Plus, you get on-demand access to expert Care Advocates and Lactation Consultants to help you choose the right travel kit and answer any breastfeeding questions.

### PUMP + POST KIT

*For travel anywhere in U.S.*

Mail your milk home. Share your travel plans at least 24 hours in advance to receive kit with prepaid return label.

- ✓ Transports up to 36 oz. of milk each
- ✓ Overnight shipping within the U.S via FedEx
- ✓ Medical-grade refrigerated shipping container

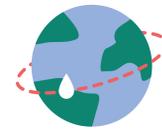

### PUMP + CARRY KIT

*Compliant for carry ons*

Tote your milk while on a short trip with Maven's carrying case and foam ice packs.

- ✓ TSA-friendly foam ice packs
- ✓ Includes a travel cooler
- ✓ Reusable and waterless, making it easy to bring on board domestic flights

### PUMP + CHECK KIT

*For international and longer trips*

Check your milk in your luggage when traveling home from abroad with a Maven-provided, reusable Coleman cooler.

- ✓ Packs up to 270 oz. of milk (about 9 days worth)
- ✓ Keeps milk frozen up to 24 hours
- ✓ TSA-friendly, reusable, and yours to keep!
