# About this guide

## Your Bupa Dental Plan insurance

This guide explains how to use your policy. It includes full details of what is and isn't covered (Section 3) and the amount you and anyone covered on your policy can claim up to in each policy year, according to your level of cover (Section 2).

Your membership certificate includes details of everyone covered on the policy, their level of cover and the cover start date.

Although they're separate documents, this guide and your membership certificate should be read together because these are the documents which set out the full details of how your dental insurance works.

In this guide, references to:

- 'We', 'our' and 'us' mean Bupa Insurance Limited registered in England and Wales with registration number 3956433 and a registered office at 1 Angel Court, London, EC2R 7HJ.

## Who is this policy for?

This policy is suitable for someone who wants support with everyday dental costs. All levels of cover provide cash back towards everyday dental costs, such as dental examinations, X-rays, and treatment. It also covers you for orthodontic treatment, dental injury, emergency treatment and oral cancer.

To make sure your cover meets your needs (and those of anyone covered by your policy), please read this guide. We haven't provided you with any advice about your cover and how it meets your individual needs.

Some words in this guide are in **bold** and *italics*. This is because they have a specific meaning which we explain on pages 34 to 35.

# 1. How to use your policy and claim

---

## Before your dental treatment

Before you have any treatment, check this guide and your membership certificate to see your level of cover and who is covered on the policy. Or you can check your digital account to see what you're covered for and what you have left to claim before your policy renews.

We don't pre-authorise claims for dental treatment so there's no need to call us beforehand. Your policy covers clinically necessary dental treatment up to your benefit allowances. We'll review your claim once you've sent it to us.

It's important that you read Section 3 of this guide to fully understand what is and isn't covered on this policy for each type of treatment.

## Good to know

When we say clinically necessary dental treatment, we mean any dental treatment, recommended by your **dental professional**, that is needed to keep your teeth and gums healthy and free from pain. This doesn't include treatment for cosmetic reasons.

## Oral cancer claims

You should always call us before any treatment is needed to diagnose oral cancer or before any oral cancer treatment starts because it must be pre-authorised. If you don't pre-authorise, you could be responsible for paying for this treatment. You can find more information in Section 3.7.

### Which dentists are covered by my policy?

You can see any dentist for private or NHS treatment.

---

# If you use a Bupa dental practice offering Instant Claim

## Instant Claim

Many of the Bupa dental practices offer easy, fast, and hassle-free claiming.

After your treatment, the receptionist will send your claim to us, and we'll pay the practice directly – up to your policy benefit allowances†.

Remember, you'll need to pay for any dental treatment that isn't covered on your policy.

You can check your digital account to see your benefit allowances and what you have left to claim before your policy renews.

To find out which practices offer this service, please visit [finder.bupa.co.uk](https://finder.bupa.co.uk) and search Dental Insurance Network.

## Need to know

Not all Bupa Dental Care practices offer this service.

†Selected Bupa Dental Insurance Network practices forward claims and are agents of Bupa Insurance Limited. Any claims for dental injury treatment and oral cancer cannot be processed by the dental practice. You'll need to complete and send us a claim for dental injury claims, which can be done through your digital account. For oral cancer claims you'll need to call us on **0800 237 777**. We may record and monitor calls.

## How to claim if you don't use Instant Claim

You'll need to pay for your dental treatment and then claim some or all of it back, depending on the level of cover you have, within 12 months of your treatment date. You can only claim for treatment that has taken place.

**You can claim online using your digital account.**

---

### Claims for preventative dental treatment

When claiming for preventative dental treatment (such as, routine examination, scale and polish, and x-rays), you'll need to send your invoice or receipt from your dentist with your claim.

### Claims for any other dental treatment

You must make sure your receipt contains:

- name of the person receiving treatment
- date treatment took place
- details of the treatment received including cost of each one
- name of **dental professional** who provided the treatment
- dental practice name, address and post code, and
- proof that you paid for the treatment.

If the information you send is incomplete or unreadable, it may delay your claim, or we may be unable to pay it.

## What happens next

We may contact your **dental professional** to ask for more information about your claim or dental treatment to see if your policy covers it. This could include your dental records, x-rays or photographs of your teeth before and after treatment. We'll need this information so we can fully assess your claim; getting this could impact the time it takes to process your claim.

### Good to know

**When claiming for a surgical implant, bridge, or denture** you must include a letter or email from your dentist to tell us which tooth has been extracted. They'll also need to tell us the surgical implant, bridge or denture has been fitted in the gap caused by the extraction.

**When claiming for a dental injury** you must give us a detailed account of how and when your injury happened along with the damage sustained and what treatment is needed. If the injury happened whilst taking part in a contact sport, you must tell us if a mouthguard which was supplied/fitted by a **dental professional** was worn. You'll also need to send us details of when this mouthguard was fitted. This can be an itemised receipt, letter, or email from your dentist.

We'll pay your claim into your bank account.

If you had dental treatment outside the **UK** and your receipt isn't in sterling, we'll convert it to sterling using the currency converter **www.oanda.com** based on the exchange rate on the date you received your treatment.

# 3. Policy Terms

## Key information

In this section we explain what is and isn't covered.

## 3.1 General terms of your cover

### Need to know

Here are the general terms which apply to your cover and claims.

Your policy covers the cost of your clinically necessary dental treatment in line with the terms and conditions of your policy.

Your policy covers you up to your benefit allowance for treatment that you've paid for, which has taken place, and was provided by a ***dental professional***.

### Treatment or costs not covered by your policy

You'll need to pay for any treatment or costs that aren't covered by your policy.

Your policy doesn't cover:

- Any treatment that takes place before your policy start date.
- Any treatment, including any we've pre-authorised, that takes place after your policy ends.
- Any fees you may incur with a third party to cover dental services via your dentist (i.e., a dental monthly payment plan).

## Claims

Claims will be paid, up to your benefit allowances, if your **group** has paid all premiums due for the **main member's** policy and any **dependants** on or before the treatment date. If you are a **contributing member**, please see Section 4.10.

We'll pay you when you make a valid claim. When you use 'Instant Claim', we'll pay the dental practice for your claim. You'll need to pay for any dental treatment that isn't covered on your policy.

We'll let the **main member** or **dependant** (when aged 16 and over) who has received the treatment, know about the outcome of any claim. We'll send this information to the **main member** for **child dependants** aged 15 and under.

All correspondence apart from the dental claim advice will be sent to the **main member**.

We may not pay a claim if:

- you break any of your policy terms and conditions which are related to the claim, or
- there's reasonable evidence that you didn't take reasonable care when answering our questions. By this we mean giving false information or keeping necessary information from us. Please refer to Section 4.6.

## Other insurance cover

You can only claim for eligible dental costs once. If you have another policy that provides dental cover, your treatment costs may be split between us and the other insurer. We'll ask you to provide us with full details of any other relevant insurance policy you may have when you claim on your **Bupa** policy.

## 3.2 Preventative dental treatment

This section explains what preventative dental treatment is and isn't covered.

The Table of Cover in Section 2 shows the maximum amount you and anyone covered on your policy can claim in each policy year.

You can also use your digital account to see your benefit allowances, and what you have left to claim before your policy renews.

### What's covered

- New patient examination
- Virtual examination
- Scale and polish by your dentist or hygienist
- X-rays and scans

### What's not covered

- Specialist consultations for restorative dental treatment
- Any costs or treatment explained as not covered in the 'General terms of your cover' Section 3.1

### Need to know

When seeing a dentist for the first time, you'll need a new patient examination which includes an examination and X-rays. Using your policy, you can claim for a new patient examination in each policy year.

Specialist consultations for any restorative dental treatment will be covered from the restorative dental treatment benefit. For example, a specialist consultation for the removal of a tooth or for a root canal would be paid from the major restorative dental treatment benefit, up to your benefit allowance.

#### Intravenous and oral sedation

This is covered up to benefit allowances. For example, when used for a filling, this would be covered from the filling benefit whereas it would be covered from the major restorative benefit for all other restorative dental treatment.

#### Oral surgery

Oral surgery is covered if this is for clinically necessary dental treatment. This is covered up to your major restorative benefit allowance.

#### Surgical implants, bridges and dentures

When submitting a claim, you must include a letter or email from your dentist to explain which tooth has been extracted and when. They'll also need to tell us the implant, bridge, or denture has been fitted in the gap caused by the extraction.

We do not cover surgical implants, bridges, or dentures, when used to correct a **pre-existing condition** or pre-existing gap that occurred before your cover start date. This includes replacement of a surgical implant, bridge or denture that has been previously fitted for a tooth that was extracted before your policy began.

#### Continuity of cover

If your **group** is transferring your dental insurance to us from another provider, we'll provide continuous cover if your tooth was extracted while you were covered by your previous insurance.   - c. The **main member** can end their or their **dependant's** cover at any time; to do so, the **main member** must inform the **group**.

d. If the *main member's* policy ends for any reason, then the cover of all *dependants* will also end.

If you are a *contributing member*, please refer to Section 4.10.

e. The *main member's* policy (and therefore the cover of their *dependants*) will immediately come to an end if:

- the *agreement* between *Bupa* and the *group* terminates
- the *group* does not renew the policy of the *main member*
- the *group* does not pay on or before its due date the required premium and any other payment due under the *agreement* for the *main member* and their *dependants*. If you are a *contributing member*, please refer to Section 4.10
- the *main member* stops living in the *UK* (the *main member* must inform us if they stop living in the *UK*)
- the *main member* ceases to meet the eligibility criteria for membership of the policy as agreed between *Bupa* and the *group*, please refer to Section 4.1
- the *main member* dies.

f. Your *dependants'* cover will automatically end if:

- that *dependant* dies.

The cover for any child added as a *child dependant* will end at the next *annual renewal date* following their 24th birthday, unless otherwise agreed.

g. In the event of the *main member's* policy terminating as a result of ceasing to be employed by the *group* or the *group* ceases to be a company, association or other incorporated organisation, *Bupa* may give the *main member* the opportunity to buy an alternative Bupa dental insurance product, where available, although this cannot be guaranteed.

If you transfer within three months of your policy terminating and pay for your new personal policy from the date your company policy ended, we will not add any new special restrictions or exclusions to your cover that are personal to you under the new product other than those which apply to you under this policy. Waiting periods will not apply if you have had cover on this policy for a minimum of four months.

If you would like to consider this option or for more information on continuing your cover please call **0800 237 777** to discuss it with us. We may record or monitor calls. You can also visit [bupa.co.uk/dental](https://bupa.co.uk/dental) for more information.

## 4.5 Changes we can make

- a. We can make changes to the terms and conditions of your policy and that of the **agreement** between the **group** and **Bupa** at the **annual renewal date** or at any time if required to by law or regulation.
- b. These changes could affect the amount and type of cover provided under the policy. We may also change or withdraw the amount of any discount or preferential rates at the **annual renewal date**.
- c. We can, at any time, change the amount to be paid to us in respect of Insurance Premium Tax (IPT) or any other taxes, levies or charges that may be introduced and which are payable in respect of your cover if there is a change in the rate of IPT or if any such taxes, levies or charges are introduced.
- d. If we do make any changes to the terms and conditions of your policy, we will write to tell the **main member** at least 28 days before the change takes effect. If the changes are required to be made more quickly by law or regulation, we will notify the **main member** as early as possible.

If you're a **contributing member**, please refer to Section 4.10.

## 4.6 Fraudulent or misleading information

- a. We may be able to end your policy or refuse to pay a claim in full or part if there is reasonable evidence that you did not take reasonable care in answering our questions. By this we mean giving fraudulent or misleading information or keeping necessary information from us if:
  - intentional or reckless, we may treat your policy as if it never existed and refuse to pay claims
  - careless, we may:
    - if you are not a **contributing member**, withdraw cover and refuse all claims, change your cover or we could reduce any claim payment (if applicable)

- if you are a **contributing member**, withdraw cover and refuse all claims and refund all premiums you have paid for the year, change your cover, or we could reduce any claim payment by the same proportion.

If you are a **contributing member**, please refer to Section 4.10.

- b. If you make a fraudulent claim under this policy, we:
  - i. are not liable to pay the claim; and
  - ii. may recover from you any sums paid by us to you in respect of the claim; and
  - iii. may, by notice to you, treat the policy as having been terminated with effect from the time of the fraudulent act.
- c. If we exercise our right under clause (b)(iii) above:
  - i. we shall not be liable to you in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to our liability under this policy (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and
  - ii. we need not return any of the premiums paid.
- d. The following list contains examples of practices we consider fraudulent and/or intentionally misleading, although this list is not exhaustive:
  - deliberately giving us false information about the **main member**, a **dependant** or a claim on your policy
  - making any claim under your policy where you know the claim is false, or is exaggerated in any respect
  - making a statement in support of a claim where you know the statement is false in any respect
  - sending us a document in support of a claim where you know the document is forged, false or otherwise misleading in any respect, or
  - making claims under more than one insurance policy in order to receive a sum greater than the cost (to you) of treatment.
- e. If we decide to end the **main member's** policy, and/or the cover of any **dependants**, we will write to the **main member** to let you know. The **main member's** policy (and/or the cover of your **dependants**) will end with immediate effect.
- f. If we end your policy based on receiving fraudulent or misleading information from you, you will not be able to join or re-join any **Bupa** insurance policy in the future.

## 4.7 Treatment needed because of someone else's fault

When you claim for dental treatment you need because of an injury or medical condition that was caused by or was someone else's fault (a 'third party') you are responsible for letting us know as soon as reasonably possible and making sure our interests are protected in any legal action required, so that we can recover any costs that we have paid for your dental treatment. This includes:

- letting us know as soon as you know that you need (or may need) dental treatment that was caused by or was otherwise the fault of a third party. You can contact us with this information on **0800 028 6850** (we may record or monitor calls) or e-mail **infothirdparty@bupa.com**  
If you need to send us sensitive information you can email us securely using Egress. For more information and to sign up for a free Egress account, go to **<https://switch.egress.com>**. You will not be charged for sending secure emails to a Bupa email address using the Egress service
- doing what we ask to recover from the third party the cost of the dental treatment we paid for. This includes ensuring that we can communicate with you and your legal representative (if you appoint one) about this and that you or your legal representative regularly keep us updated on progress with any recovery action
- ensuring that where you agree settlement with a third party, it includes the cost of dental treatment that we have paid for you in full, and that you pay such sum (and applicable interest) to us as soon as reasonably possible.

## 4.8 Law applicable to contract

The terms and conditions of your policy shall be governed by English law and all matters regarding your policy shall be subject to the exclusive jurisdiction of the courts of England and Wales.

## 4.9 Policy notices

No amendment or variation to the terms and conditions of your policy shall be valid and effective unless made in accordance with these rules and benefits or specifically agreed between the *group* and *Bupa* and confirmed in writing. Unconfirmed verbal communications cannot override the written terms and conditions of your policy, nor amount to any agreement to vary any of its terms. No third party is authorised to effect any such amendment or variation on behalf of *Bupa*, or to waive any of *Bupa's* rights.

Any failure by *Bupa* to exercise, or any delay by *Bupa* in exercising, any of its legal rights or remedies under the *agreement* shall not amount to any waiver by *Bupa* of any such rights or remedies.

Any notice or communication which is given under or in connection with this policy shall be sent in writing by email or by pre-paid post, recorded delivery or delivered personally in the case of **Bupa** to **Bupa's** administrative address at **Bupa, Bupa Place, 102 The Quays, Salford M50 3SP** and in your case or the case of the group to the **main member's** address, or the **group's** address, as the case may be, last notified in writing to **Bupa**. In the absence of evidence of earlier receipt, any notice or communication shall be deemed to have been received on the day following delivery if delivered personally, in writing by email or by pre-paid post three days after posting.

## 4.10 Contributing members

This section only applies to **contributing members**.

The **group** must pay to us premiums and any other payment due for the **main member's** cover, and that of any **dependants** covered under the **agreement**. The **main member** contributing to the cost of premiums for him or herself and/or any **dependants** does not in any way affect the contractual position set out in Section 4.

Contributions paid by the **main member** to the premiums the **group** has paid for them (e.g. by payroll deduction) will be deemed to have been received by **Bupa** once they are received by your **group**.

As soon as reasonably practicable the **main member** will be provided with the terms and conditions that will apply to your cover, and the **group** will notify the **main member** of the contribution they will need to make to the cost of premiums from the cover start date for the next policy year.

If the **main member** does not want their cover (and therefore the cover for **dependants**) or the individual cover for any **dependants** to renew at the **annual renewal date** they can notify the **group** at any time in advance of the **annual renewal date**.

If the **main member** wishes to end their policy (and therefore the cover of **dependants**) the following terms apply:

- The **main member** may end their policy (and therefore the cover of **dependants**) by informing the **group** within 21 days of either:
  - the date the **main member** receives their terms and conditions (including the membership certificate) confirming cover or
  - the **main member's** cover start date

whichever is the later. During this 21 day period if the **main member** and **dependants** have not made any claims, we will refund to the **group** all of the premiums the **group** has paid for the **main member** for that year.

After this 21 day period the **main member** can end their policy (and therefore the cover of all **dependants**) by informing the **group** at any time during the year, in which case we will refund to the **group** any premiums the **group** has paid for the **main member** and **dependants** that relate to the period after their policy ends.

- The **main member** may end the cover of any **dependant** by informing the **group** within 21 days of either:
  - the date the **main member** receives the terms and conditions (including membership certificate) confirming the cover for that **dependant** or
  - the cover start date for that **dependant**

whichever is the later. During this 21 day period if no claims have been made in respect of that **dependant** we will refund to the **group** all of the premiums the **group** has paid for the **main member** that relate to that **dependant** for that year.

After this 21 day period the **main member** can cancel a **dependant's** cover by informing the **group** at any time during the year, in which case we will refund to the **group** any premiums the **group** has paid for the **main member** in respect of that **dependant** for the period after their cover ends.

Your policy will automatically end if the **group** does not pay premiums or any other payment due under the **agreement** for you or any other person, however, we will continue to pay eligible claims for you for the period for which the **main member** can provide evidence (e.g. on payslips) that they have paid contributions to premiums to the **group**.

Where we have refunded to the **group** premiums paid for the **main member** or **dependants**, the **main member** should contact the **group** in order to obtain a refund of the contributions they made to those refunded premiums.

### Changes to your policy

If:

- any changes to the terms and conditions of your policy, including your benefits, are agreed between the **group** and us, or
- we change the procedure for making a claim

the **main member** will be informed before the change takes effect. If the **main member** does not accept any of the changes they can end their policy (and the cover of **dependants**) by informing the **group** either:

- within 28 days of the date on which the change takes effect or
- within 28 days of the **main member** being told about the change

whichever is later.
